

# Day Care

@ Dengie K9-5

Day Care prices start from as little as £30 per day for a full day's worth of fun, enrichment and play.

Your dog will be supervised at all times by our experienced and caring team.

They'll have opportunities to socialise with other day care dogs, burn off some energy in our enclosed field, explore our woodland area and play in our purpose built indoor play barn.

There will also be plenty of opportunities for rest and relaxation throughout the day.

## PRICING
